STRATEGIC PRIORITY VI: A STRONG AND SUSTAINABLE RESOURCE BASE

INITIATIVE I:

GOAL 1:

INITIATIVE 2:

GOAL 1:

INITIATIVE 3:

Strategic Initiative 3: Digital Transformation and Data Analytics. This initiative focuses on modernizing our IT infrastructure, implementing cloud-based solutions, and leveraging data analytics to drive operational efficiency and customer insights. Key components include migrating core systems to the cloud, enhancing cybersecurity measures, and establishing a data governance framework.

GOAL 1:

GOAL 2:

INITIATIVE 4:

Strategic Initiative 4: Sustainability and Environmental Impact. This initiative aims to reduce our carbon footprint, improve resource efficiency, and promote ethical sourcing. Key components include implementing energy-saving measures, reducing waste, and engaging with stakeholders on sustainability issues.
